Business Travel Management

ABT manages a large and professional travel center that spans across various departments dedicated to serving a variety of aspects of travel. We treat business trips as tasks that require strategic planning and organization, constantly focused to recognize and sensitively manage the needs of the customer. ABT operates a 24x7 emergency travel desk offering continuous support to customers.

Medical Tourism and Medical Flights

Medical tourism is a natural extension to our business and ABT Medical leads and manages progressive services tailored to patients who travel for medical care. Such services include flight and travel arrangements; expertise provided by physicians and advanced medical treatment in Israel, Germany and Austria. The medical emergency flight services relieve insurance companies of the daunting task associated with arranging medical transportation for regular and private client schemes. The aim is to ensure a smooth process while providing premium services and medical care.

Conferences, Events and Corporate Leisure Travel

ABT has a reputable track record of many years of successfully organizing incentive trips, conferences and events for diverse groups and individuals at assorted locations around the globe. The Conferences & Events department organizes tailor made trips suited to customer requirements and supervises the rollout of each event from start to finish. Specialities include team-building activities, unique locations, professional training while significantly driving towards standards and budgets.

Vacations

For all-inclusive vacations, last-minute deals and vacation packages, ABT helps customers choose from a variety of destinations for every budget and are experienced in planning all aspects of the vacation.

ABT Massao – Quality Geographical Tours

ABT Massao specializes in providing quality organized tours and vacations guided by accredited individual tour guides. With so many choices in tours, destinations and prices, Massao offers advice in making the right choice, a key aspect in ensuring a dream tour.

Lands of Faith

Focused primarily on biblical pilgrimage tours, special interest, youth, off the beaten track and bar mitzvah groups, Lands of Faith has gained extensive experience in arranging all inclusive programs of travel arrangements, budget management and a wide range of group and individual travel options.

Ground & Hotel Services

Our technology based and service lead approach presents our customers with opportunities that offer a wide range of hotel and land services around the world. Access to a proprietary online hotel reservation system linked to a global listing of hotel availability and rates at over 162,000 hotels, ensures best available options for every budget. Other travel related services offered are transportation, shows, sports activities and more.

Our Partners:

DB-Bahn, operating in 130 countries, is one of the world's leading passenger and logistics companies.

Marriot International, a reputable global hotel chain, has a long standing strategic relationship with ABT.

Additional Service Departments

Visas & passports - with 30 years of professional experience, up-to-date knowledge and expertise in issuing visas to numerous destinations around the world and coordination with our global offices and partners, our customers are ensured of streamlined processing and peace of mind. For the convenience of our customers, ABT offers pickup and delivery services, to/from home or office, over-night delivery to return address of choice.

Insurance – great value travel insurance designed to cover travellers internationally. Insurance plans can include comprehensive solutions for all travel needs.

Expansive Global Presence

The planned expansion of ABT's business activities globally allows ABT to maintain, develop and serve customers at a global level. In country capabilities as a result have been developed ensuring customers of cost competitive point of sale solutions and local market insight. Offices have been established in Europe, North & Central America, Asia and the Middle East.
